**“BI-WEEKLY BRONZE PLAN” WATER TREATMENT \$192.50 (2) VISITS PER MONTH**

This is our most popular service for pool owners with automatic pool cleaners. The once per week plan includes the following:

- Testing pool for proper chemical balance
- Treating water with chemicals for balancing as needed (chemicals included in plan are chlorine tablets, ph, alkalinity and calcium hardness).
- Backwashing filter, bleeding air from filter and cleaning pump baskets.
- Inspection of all equipment
- Cleaning skimmer baskets, pool sweep screens baskets and Polaris vacuum bags

**“SILVER PLAN” WATER TREATMENT & CLEANING \$350.00 – (4) VISITS PER MONTH**

**“BI-WEEKLY SILVER PLAN” WATER TREATMENT & CLEANING \$212.50 – (2) VISITS PER MONTH**

This is an ideal plan for the pool without an automatic pool vacuum and for the pool owner who wants to spend more time enjoying the pool than maintaining it! The once per week plan includes:

- All chemicals and services listed on the “Bronze Plan”
- Vacuuming walls and floors of pool. If the deckmount vacuum is used to clean the pool there will an extra charge of (\$10.00 per visit.)
- Skimming pool surface to remove floating leaves, insects, etc.
- Cleaning of tile and scum lines
- Maintaining equipment area in an orderly fashion

**“GOLD PLAN” WATER TREATMENT & CLEANING \$545.00 – (8) VISITS PER MONTH**

This is the most complete service plan we offer. This plan is especially designed for the pool that is frequently used or for the pool that is located in the middle of “Sherwood Forest” and suffers from environmental fallout!!! The twice per week plan includes:

- This “Gold Plan” includes all the water treatment and services described in plan A & B and will be performed TWICE a week.

You may send a check or use MC/Visa/Debit Card, please do not send cash. Payments must be received prior to service. Pools must be clear before starting a weekly service plan.
